\$160,000 Residence Ruined
By Fire on Memorial Day

The Gregory Gerling residence on Wakeley Bridge Road was destroyed by fire on Monday, May 30. The Grayling Fire Department was dispatched to the structure fire at 6:31 a.m. The home and its contents were valued at \$160,000.

The Gerlings were visiting family in Boyne City at the time of the fire. The cause of the fire is under investigation.

Gregory Gerling is a fireman with the Detroit Fire Department.

DNR To Increase Inspections
For Off-Road-Vehicles

Efforts are underway by the Department of Natural Resources (DNR) to increase equipment compliance checks on Off-Road-Vehicles (ORVs), especially for muffler systems lacking the mandatory spark arrestor, which can throw off sparks and create a serious wildfire hazard.

More than 12 percent of Michigan's wildfires are the result of faulty motor equipment on vehicles. Mufflers which lack or contain a faulty spark arrestor are the major cause of those types of wildfires, according to DNR statistics.

"DNR conservation officers will be concentrating equipment checks on ORVs in high use areas to assure compliance with the ORV law (PA 319 of 1975)," said DNR Law Enforcement Division Chief Herb Burns.

ORV equipment violations are misdemeanors carrying a penalty of up to 90 days in jail and/or up to a \$100 fine.

Acceptable spark arrestor mufflers, approved by the U.S. Forest Service (USFS), should contain a visible impression of the USFS seal of approval on the spark arrestor. Other equipment guidelines in the ORV law require vehicles to have both head and tail lights, hand and foot brakes, a spring return throttle and to meet EPA noise/emission standards.

Senior Class Activities Remain
As Scheduled In Last Week

Students in the Crawford AuSable School District will finish the 1987-88 school year a day earlier than planned, thanks to Mother Nature's good graces. Since the CASD did not need to use a third snow day, students will complete their classes after a half day on Thursday, June 9.

However, the senior class activities will remain as they were originally scheduled: Baccalaureate will be held on Sunday, June 5, at 2:00 p.m. in the Joseph Stripe Auditorium and Senior Class Night will take place on Thursday, June 9, at 7:00 p.m., also in the Auditorium.

Commencement exercises will be held on Friday, June 10, at 8:00 p.m. in the High School Gymnasium, as originally planned.

18 Adult Education Students
To Graduate Saturday, June 4

A graduation ceremony for Adult Education students will take place on Saturday, June 4, at 7:30 p.m. in the Joseph Stripe Auditorium (Grayling High School). Graduates are from both the High School completion program and G.E.D. program. The High School completion program consists of students enrolling in night school for regular High School courses and obtaining the total amount of credits required to receive a High School diploma. G.E.D. classes meet during the day. G.E.D. stands for General Educational Development. Students take a five-part test in the following subject areas: math, science, social studies, reading, and writing skills. Upon completion of the tests with a satisfactory score, students receive a certificate of completion which serves as the equivalency of a High School diploma.

The Crawford AuSable School system is proud to announce the following students as the Adult Graduating Class of 1988: Richard J. Austin, Ellen Renee Bickmann, Beth Ann Blackmer, Lisa M. Fairbotham, Wilma I. Greene, Teresa Harrington, Kelly K. Hatmaker, Thomas King, Kelly Laird, Patricia Ann Larkin, Eric Linkhart, Tim J. Lobsinger, Kevin E. Love, Anna Marie Moggo, John L. Nowlin, Mary J. Ramos, Marnie Jo Vendeville, and Leo York.

Applications Available For County
United Way 88-89 Funding

The Allocations Committee of the Crawford County United Way is presently accepting applications from potential recipients. Consideration for United Way funding will be given to any non-profit organization within Crawford County.

If you are interested in applying for 1988-89 funds, please contact Allocations Chairperson Beth Wieland, 348-2841, or United Way Board Chairman Dave Sabin, 348-5588 no later than June 15, 1988.

KCC Summer Registration
Opens at Campus June 8-9

Registration for the summer semester at Kirtland Community College will be held on Wednesday and Thursday, June 8 and 9, from 9 a.m. until 6:30 p.m. in the Admissions Office on campus. The summer semester is a six week semester.

Tuition rates will be assessed at \$30 per credit hour for in-district students, and \$42.50 per credit hour for out of district students. A \$1 per credit hour activity fee and a \$2 per credit hour registration fee will also be assessed.

Lake Margrethe Property Owners
Association To Meet June 4th

Three lake topics are on the agenda for the Lake Margrethe Property Owners Association meeting Saturday, June 4th, at 10 a.m. at the St. Francis Church. DNR lake activities, a road end ordinance report, and the sheriff marine patrol will be discussed.

Hanson Hills Seeks
Additional 1/4 Mill

The Grayling Recreation Authority (GRA) will be asking Crawford County voters to approve a one-quarter mill for two years to "enhance and maintain additional recreational facilities and activities" at the Hanson Hills Recreation Area.

The Crawford County Board of Commissioners voted 5-1 at their May 26th meeting to allow the GRA to put the millage proposal before the voters on the Aug. 2nd primary election ballot.

Passage of this proposal will generate between \$48,000 and \$50,000 for Hanson Hills. These funds would be earmarked for construction of several sports fields for soccer, softball, and Little League.

Scott Remsing, Hanson Hills manager, reported the need for the additional fields, especially soccer fields, by explaining that the 1987 soccer season (the soccer league's fourth year) consisted of 13 co-ed teams,

with 154 children participating. These teams currently share the use of the Grayling High School band and football practice fields.

Remsing explained that three construction estimates revealed that a single soccer field can cost between \$15,000 and \$20,000 to complete.

On the same ballot, on a separate proposal, the GRA will be asking residents to renew a one-quarter mill request for maintenance of the Hanson Hills Recreation Area. This millage was first approved in November, 1984.

The GRA membership consists of two appointees from four agencies: Crawford AuSable Schools, Grayling Township, Crawford County, and the City of Grayling. Each of these eight members then selects a member-at-large. The GRA chairperson is Pauline Petrosky.

Geiss Appointed Commissioner
To Fill District 6 Seat

Donald R. Geiss was appointed by the Crawford County Board of Commissioners to fill a county commissioner District 6 vacancy created when John Miller resigned. Miller resigned to accept a position directing recycling programs based at the Crawford-Oshtemo landfill.

Geiss' appointment was announced at the May 26 commissioner's board meeting. He will be serving to the end of Miller's term, December 31, 1988. Crawford County Commissioner, Jeannette Kitchen, explained that two letters were received in response to the board's public notice of the vacancy. Geiss' letter indicated that, although he was interested in filling the current board vacancy, he did not intend to run for the office in November. The second person who responded to the public notice stated that he was interested in filling the vacancy and intended to seek his party's nomination and run for election to the position. The commissioner's felt that Geiss' appointment would not give any candidate running in the fall election an unfair advantage.

Geiss has been a resident of Crawford

County for 20 years. He has worked for WQON as their governmental news reporter, and has reported for the Gaylord Herald Times, and the Crawford County Avalanche. He continues as a free-lance writer for the Gaylord Herald Times and TV 9 and 10.

Before coming to Grayling, Geiss was employed as an instructional media consultant for public schools. He received both his Bachelor of Science and Master of Arts degrees from Michigan State University.

Geiss has served on the Crawford County Housing Commission, and the Crawford County Social Services Board. He is a member of the Rotary Club, and is working on promotion and public relations for Camp Grayling's 75th Diamond Jubilee celebration.

Geiss stated that he feels the 15 years he has spent covering the Crawford County Board of Commissioner's meetings as a reporter, gives him knowledge and understanding that will enable him to contribute to the board and thus to the county during the next six months.

5 DAYS OLD — Penny Millikin with fawn just four days later on Memorial Day.

Day-Old Fawn Found on Road

The rest of "Bucky's" life will probably seem mundane when compared with her birthday. A woman motorist saw the fawn Friday morning, May 27, struggling to stand up on the hard surface of M-55 near Merritt. Thinking the fawn was in need of help, she took the animal to the Houghton Lake State Police Post.

1 DAY OLD — Floyd Millikin with fawn on day it was brought into state police post.

Sgt. Floyd Millikin of Roscommon was working when the fawn was brought to the post. He estimated that the deer was only four hours old. After contacting several DNR officials in Roscommon and Mio, including Conservation Officer Dave Davis regarding the fawn's (now called "Bucky") future, it was decided that Millikin and his wife Penny would care for the fawn until she could become self-sufficient.

The Millikins have been consulting with Dr. Rauch D.V.M., to insure that the fawn receives proper care. Bucky is being bottle fed a soy base infant formula. Millikin explained that the fawn will need to remain on the soy formula for about three weeks. She should then be able to survive on solid foods. This week a protein supplement will be added to Bucky's formula.

The fawn is completely unafraid of the humans caring for her. She follows her caretakers as she would have her mother. This taming is always a concern when it becomes time to assimilate animals reared by humans back into the wild.

Sgt. Millikin stated that although well-meaning the motorist was who found the young doe, she should have moved the fawn off the road, and out of danger, and left it where she found it. The fawn's mother might have been nearby. She should have then reported her finding to the authorities. Conservation officers are experienced in handling these situations, he said.

Another School Finance Reform Plan Surfaces

Confused about school finance reform plans in Michigan?

Last week, a complicated issue became more confusing as a fourth plan was thrown

into the debate.

Here's a brief rundown on how the fourth plan sprung up.

The Michigan Senate adopted plan #1. The

Michigan House discussed two plans — a Democratic plan (the Governor's) and a Republican plan. When the House couldn't decide which plan to adopt, a fourth plan (an

informal compromise) was discussed.

Here's a brief look at the four plans. The Avalanche will publish the most recent news about the four plans in the June 9th issue.

SENATE BILL (ADOPTED)

HOUSE DEMOCRAT PLAN
(GOVERNOR'S)

HOUSE REPUBLICAN PLAN

INFORMAL COMPROMISE

PROPERTY TAX RELIEF	For school taxes, reduces assessed value from 50% of value for residences and to 35% of value for commercial property.	For school taxes, exempts first \$30,000 in value (\$15,000 in assessed value) from taxation.	Reduces school millage rates to a base rate of 17 mills for most districts (including Crawford AuSable), higher in the case of high spending district.	Establishes a base millage rate by reducing school millage rates by 8 mills for out-of-formula districts, by an average of 12 mills for in-formula districts.
PROPERTY TAX POOLED FOR STATE REDISTRIBUTION	No	No	First 9 mills goes to the State Account for Education.	Beginning in 1990, 45% of new commercial/industrial growth pooled.
CAPS OR LIMITATIONS	None	None	Constitutional limitation of no more than four additional mills.	Current 50 mill limitation reduced to 42.
CHARTER MILLAGE	None - all non-allocated mills must be voted.	None - all non-allocated mills must be voted.	Yes - only millage above the base rate (17 for Crawford AuSable) must be voted.	Yes - only millage above the base rate (unclear at this time what it would be for Crawford AuSable) must be voted.
TAX SHIFT	Sales tax increased from 4 cents to 6 cents per dollar.	Sales tax increased from 4 cents to 6 cents per dollar.	Sales tax increased from 4 cents to 6 cents per dollar.	Sales tax increased from 4 cents to 6 cents per dollar.
DISTRIBUTION OF FUNDS	Not determined.	Not determined officially. It appears that state aid would be based on an SEV of \$110,000 per pupil bringing the Crawford AuSable School District back in formula. Not clear how much more money per pupil would be available.	Establishes a base grant level for each district guaranteeing a minimal level of spending per child. Crawford AuSable would receive \$300 per pupil more each year for the first three years until the level is reached. Inflationary increases are guaranteed after that.	Concentrates new money on high millage in-formula urban districts. Low millage and out-of-formula districts get little new money. No plan for inflationary increases. No base level guarantee. Crawford AuSable would get \$189 per pupil more the first year.

 Offered Here June 11-12**

On June 11 and 12, the Motorcycle Rider Course will be offered to Grayling and area residents. Taught by a national Motorcycle Safety Foundation certified instructor, classes will meet at the Grayling High School. The course is designed for the novice — someone who just wants to see if they enjoy riding.

No motorcycle? Don't let this stop you. The sponsor will provide helmet, gloves, jacket or long sleeved shirt, durable long pants, and ankle-covering boots. An individual's own motorcycle may be used, but proof of ownership and insurance must be provided.

Those successfully completing the course will earn a certificate entitling them to a discount from some insurance companies. This course is required by Michigan law for persons under the age of 18 before they receive a motorcycle endorsement.

Sponsored by the Crawford County Sheriff, the cost for the course is only \$25. Registration forms are available at Sheriff's Department and Secretary of States office.

Opinions

Northern Views

By Jon Thompson

Crawford County was packed over Memorial Weekend. Stores in Grayling and Frederic were busy and I suspect stores throughout the rest of the county were busy as well. I wonder what the population of our county is (including all visitors) during Memorial Day or July 4th weekends?

The AuSable River had quite a lot of canoeists, as usual, over the holiday weekend. While swimming in the river Saturday, it was fun watching the canoeists for a while. I imagine some people watchers could spend a whole afternoon just watching the canoeists.

A few of the adults in the canoes reminded me of little children in a car on a trip: "How much farther to Stephan Bridge?" "Do you know how many more minutes it is to the next stop?" "Are we there yet?"

When you're wet, cold, sunburned, tired, or whatever, not knowing how much farther you have to travel makes it a little

tougher. I hope some of those adults remember how they felt on the river next time a child asks in the car "Are we there yet?"

I stopped by the sand hill of M-72 West for the first time ever to watch the dirt bikes and off-road-vehicles climb the hill on Saturday. The place draws quite a crowd on holidays and they were climbing the hill even as darkness fell. There were no accidents during the time I was there, but anyone could tell a few of those riders were just accidents about to happen.

Heading into Grayling on I-75 North Sunday you could see a dusty haze over the city. When are we going to have some real rainy days? We went through the entire spring with only a few half-inch rainfalls. Knowing our Michigan weather, it will probably rain most of the summer to make up for the dry spring.

Letters to the Editor

June 13th School Millage Defeat Could Have Disasterous Ripple Effect

Dear Editor:
Having worked in several school districts before arriving in Grayling, I have learned that the quality of schools reflects the quality of the communities they are in. One of the quickest ways to turn a decent community into a less than decent one is to be satisfied with an inferior school system.

Any family that is looking for a place to live looks immediately at the schools. It

is important for a family to get the best education possible for its children. When schools deteriorate families tend to look at other places to educate their children. A lack of good families moving into our community and the possibility of established families seeking other places to educate their kids should scare the daylight out of everyone who lives or works here.

The established business

community should shudder at the thought of what a failure of the June 13 millage could mean to it. Those businesses that depend on people as customers and employees (and what businesses don't?) could be very badly hurt. New businesses will probably not be very interested in locating where employees can't depend on a quality education for their kids. When the business climate suffers and people be-

come unemployed, communities can become unpleasant places. It seems to me that it is ridiculous for the community to fund a new building for the school system and then turn around and in effect say, "We don't really care what goes on in that building or any other school building in Crawford Coun-

ty." That is a lot like reneging on a commitment. Let's face it! A failure of the June 13 millage election will be disasterous for our schools. It could also have a disasterous ripple effect throughout the community.

Mike Dickerson,
Counselor
Grayling
Middle School

Progress May Be Halted By June Millage Defeat

Dear Jon,
We are happy that our community had the wisdom and foresight to have the Middle School renovated so beautifully. We also see a positive spirit in the continual improvements in up-town Grayling.

We see new business beginning, new industries coming in, and with these, new families coming to live in the Grayling area. However, all of this progress may be brought to a stand-

still by the continued defeat of reasonable school operating millage. We are seeing families leave this community and know many who are considering moving away, because they want quality (not luxury) education for their children. Knowing that the average expenditure for schools in Michigan is \$4,000 per student and ours is \$2,732.00 per student, we understand why these families are leaving. Do we want to also lose the industries that have been de-

veloping here?
Thank you for the support that the Avalanche has given in promoting a "yes" vote on millage and on our children in Grayling. We encourage you to continue your excellent coverage of this issue. We encourage everyone to vote "yes" on the upcoming school millage election on June 13th and continue to make the Grayling area a better place to live.

Sincerely,
Jeff and Linda Regan

Chamber Letter-Writing Campaign Draws Response

Dear Editor:
In response to the Chamber of Commerce Pro-Guard Letter Writing Campaign: Assuming this is still a participatory democracy, any Avalanche reader who would like to communicate easily with Senator Levin or

Governor Blanchard is welcome to mail me a stamped envelope addressed to either dignitary. I will be most happy to use my computer to print a letter which relays your personal dissatisfaction with the continued Guard build-up in the

Grayling area. Sorry, but I cannot provide you with cocktails.
Here's the text of the letter:

Dear
As a concerned citizen, I am writing to register my extreme discomfort with the continued National Guard build-up in the Grayling area. I hope you will do whatever is within your power to see that the military is kept from further ravaging the environment in Northern Michigan. Remember, what the Guard does, it does to the earth.

Better Evaluation Needed for Human Investment Programs

By Warren M. Hoyt
Michigan Press Association

Michigan has not done an adequate job of evaluating its human investment programs, such as the Youth Corps and Governor James J. Blanchard's proposed Opportunity Card, according to a preliminary study of the state's employment and training programs by University of Michigan professor Malcolm S. Cohen.

Findings of the first phase of the three-phase study were presented recently to the Senate Appropriations Committee.

The study was initiated by Sen. Doug Cruce (R-Troy), who said its purpose is to convince the Legislature and Blanchard of the need to better coordinate programs to get more out of money it spends on employment and training.

Cruce recommends that the Legislature, Department of Labor and governor's office join forces to find a common ground to establish goals and objectives for the programs.

"I've been concerned for some time that some of these programs are needlessly duplicating services. The initial findings reinforce what I've thought all along - that we must do a better job of coordinating these programs to get the most for the money the state spends," Cruce said.

Cohen reported that although over \$800 million a year in government funds is being spent on 70 programs in the state, not a single impact evaluation has been done in the last 10 years to determine if the money is being spent effectively.

And, there does not appear to be any proposed initiative which will result in an adequate evaluation of the programs, the report added.

Blanchard had proposed a Human Investment System to streamline the systems. Failure to carry out such an evaluation

could lead to the waste of hundreds of millions of government dollars over the next several years, either because of duplication of programs, inadequate targeting of programs, failure of programs to achieve intended objectives, or because the programs are not any longer relevant to current policy priorities, according to the report.

In addition, the report criticized the governor's Michigan Opportunity Card - intended to help individuals take better advantage of the myriad of programs - which could prove to be a data processing nightmare unless properly targeted.

"The \$80 million already spent by the Michigan Employment Security Commission to automate its systems could seem like a bargain compared to the cost of standardizing all of the state systems at the state and local levels to achieve the ultimate objectives outlined by the administration for the Opportunity Card," the report said.

The Senate Fiscal Agency paid Cohen \$30,000 for the five-month study, but Cruce said he had planned to include the cost of the study in the Department of Labor budget until House members balked.

"I don't see it as a partisan thing. I see it as a process to develop better government," Cruce said. "We're not on a witch-hunt here, but if there is a witch there we want to find it."

Cruce said when contacted, House Speaker Gary Owen (D-Ypsilanti) opposed participating in the study because the problem has already been studied.

Cruce said the next phase of the study could result in legislation, or the report may force the bureaucracy to take a closer look at its programs.

He said the entire cost of later phases of the study will be about \$100,000.

Almanack

They're off and running already?

by Richard Millman

THE 1988 PRESIDENTIAL nominating process is not even over yet, and it appears that some potential candidates already are off and running for 1992, 1996 or even 2000.

What seems to be happening should give Vice President George Bush, the sure Republican nominee, a slight case of the shivers.

Those he has defeated for the 1988 nomination are graciously stepping aside, but not very far.

PAT ROBERTSON, the television evangelist who doesn't like to be called one, was the final "active" non-winner in the Republican sweepstakes. But even Mr. Robertson says he is going to hang on to the 46 delegates he won with his \$22 million effort right down to the bitter end.

Mr. Robertson officially ended his run in mid-May, throwing his support to Mr. Bush, whom he identified as "a conservative at heart." Like practically every campaign loser since the days of George Washington, or even earlier, Mr. Robertson said one of his main purposes was to "speak out on the great moral issues of our time," and he has done so.

How about 1992? Graciously, Mr. Robertson said that he won't decide anything until after this year's election, because "I hope Mr. Bush is elected and then re-elected in 1992."

But, just in case, Mr. Robertson plans to work through a newly-organized political action committee called "Americans for the Republic," so he can be "the rallying point for future political action by the hundreds of thousands of Americans who have supported my efforts."

Sure sounds like he's running for president again.

MEANWHILE, former Gov. Pierre S. DuPont, an early retiree from the 1988 race, in granting interviews during this political year after his own withdrawal, sure sounds as if the presidential bug has infected his veins, too. And Mr. DuPont is young enough to try again, and most likely will.

Rep. Jack Kemp went from the presidential hustings back to his job in Congress, and is dutifully filling his congressional role, waiting in the hopes - one would expect - that vice presidential lightning might strike. Mr. Kemp has plenty of time to try in the future, too.

And Sen. Bob Dole, also back at his legislative post, could probably try again in 1992, but he could be a bit shopworn by 1996, if things go that far.

Even newcomers are getting into the act. William J. Bennett, stepping out as Education Secretary in the Reagan Cabinet, acknowledged that presidential politics is a possibility in his future.

Declining to mention anyone in particular, Mr. Williams said that "after watching some of the people in the stakes for the presidency, I could do that well."

Mr. Williams said he has been asked to run for the Senate from various states, but said that didn't interest him: "Right now, if I were going to run for anything in the future, I'd want to run for president."

WHY SHOULD all this make Mr. Bush a bit nervous? Well, apparently many of his fellow Republicans think there's going to be an opening at the head of the Republican ticket in the near future.

Indeed, most of the polls indicate that in a head-to-head contest with Gov. Michael Dukakis as the Democratic candidate, Mr. Bush would lose quite soundly.

Strange things happen in politics, but at this juncture in the public mind, it does not look like a vintage year for the Bush-led Republican ticket.

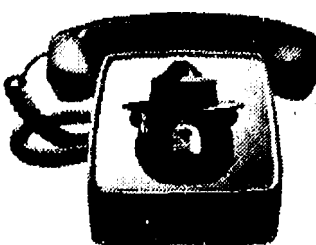

Mr. Bush is proven as a come-from-behind campaigner, and it could happen again. He is the distinct underdog at the moment.

If the polls are right and Mr. Dukakis heads for the White House, then it will be wide open among the Republican hopefuls again.

Several of them appear to be ready to pick up where they left off this year.

Is there a bit of wishful thinking going around here somewhere? Could be.

Our biggest decision was motorhome or travel trailer, not where to get an RV loan.

Then we made the right move and chose NBD.

"We'd walked through enough RVs and paged through so many brochures, we could have designed our own unit.

"By the time we settled on what we wanted, we'd hardly given a thought to where we'd go for financing. We figured one RV loan was about the same as the next.

"Some friends of ours told us about the great deal they got from NBD. So we decided to give them a try.

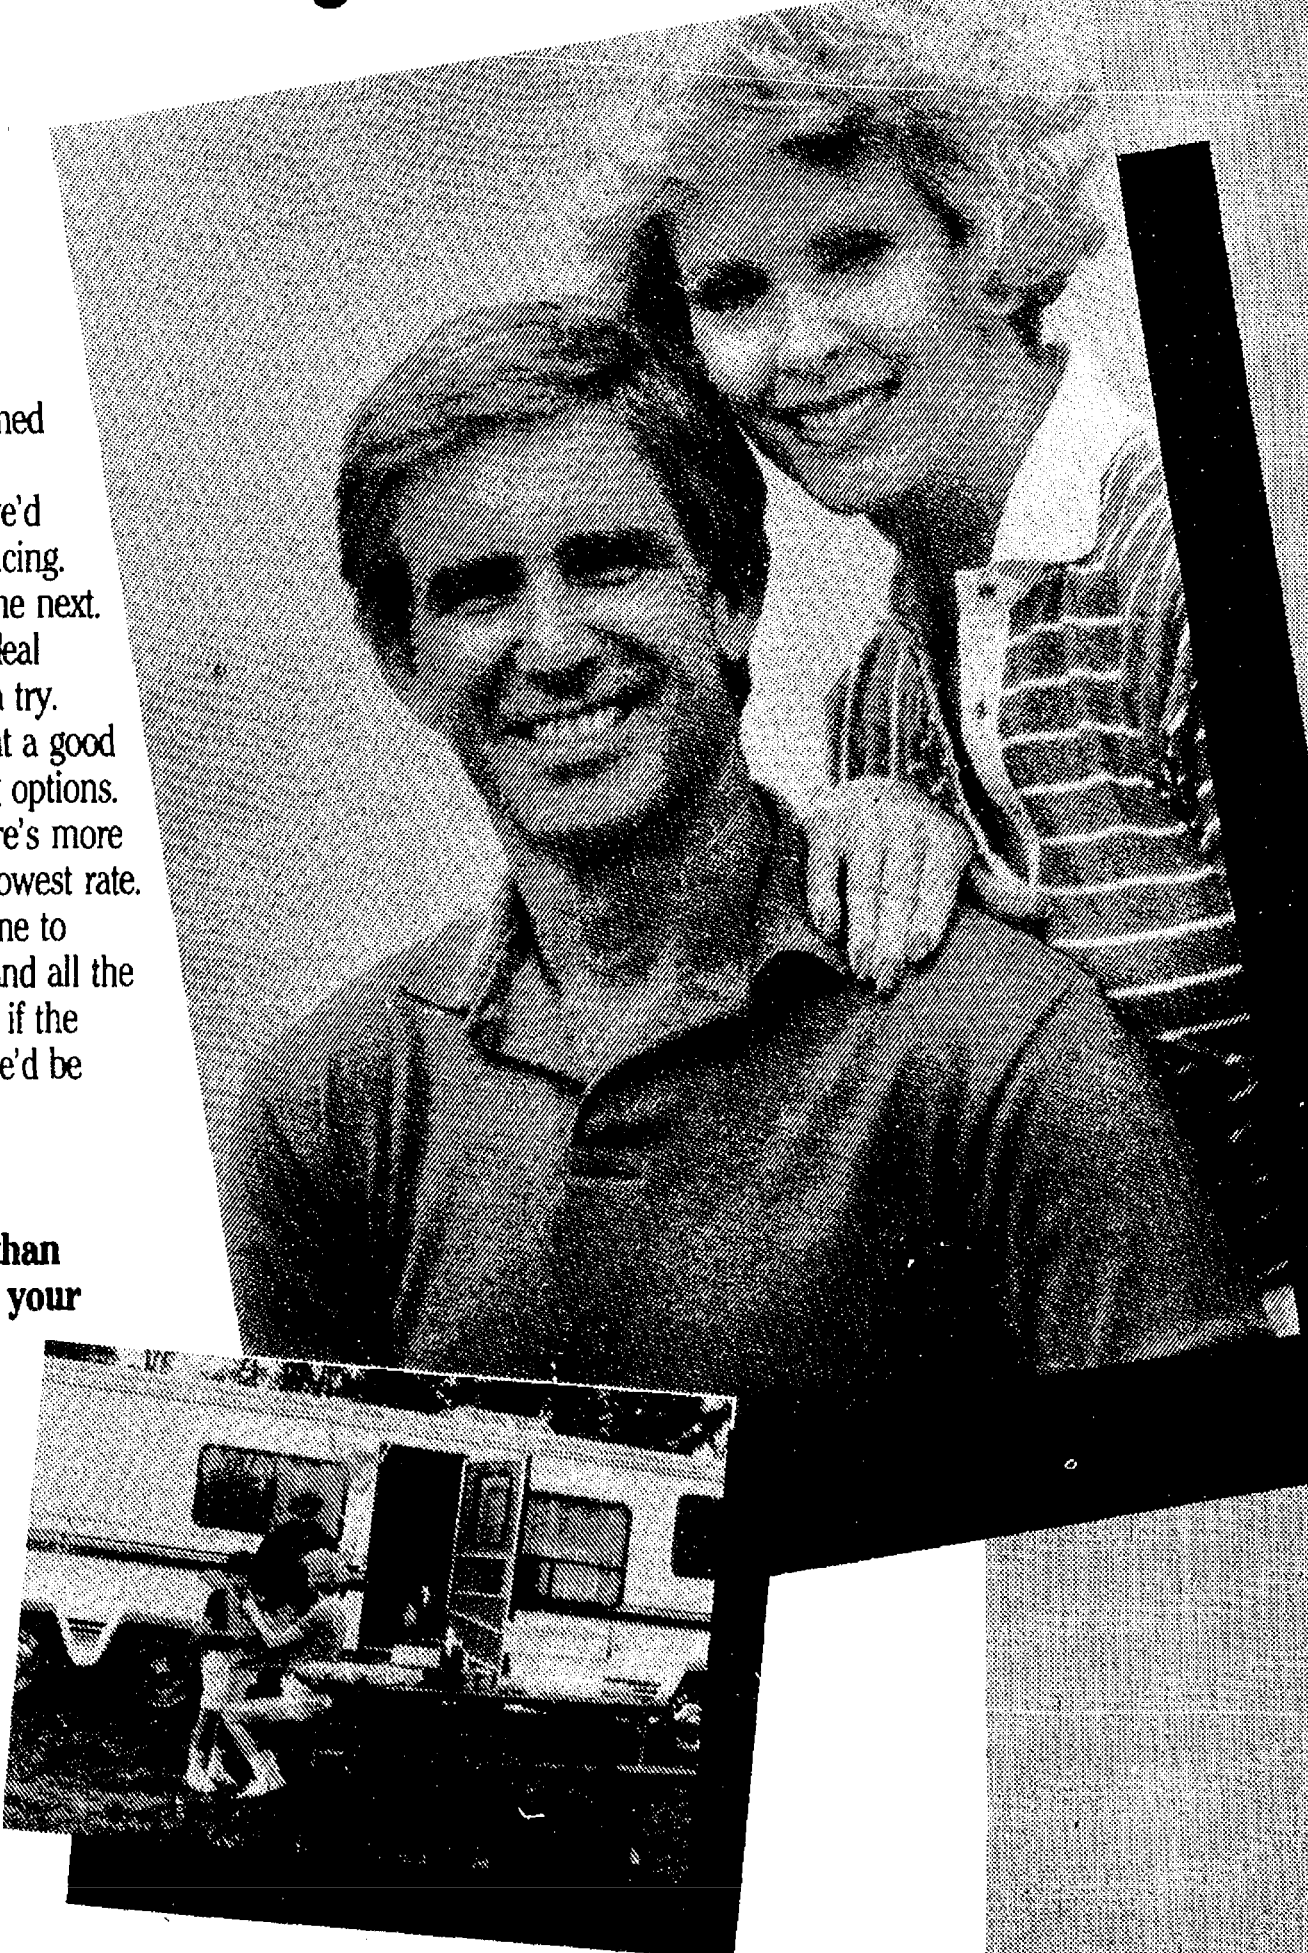

"We met with the people at the bank and spent a good hour or so talking about all the different financing options. It was time well spent, because we found out there's more to an RV loan than getting what sounds like the lowest rate.

"The loan officer at the bank really took the time to make sure we were satisfied with our payments and all the other details. We came away with the feeling that if the bank put this much attention into our RV loan, we'd be smart to do more business there.

"Now we're doing all our banking at NBD.

"We made the right move."

Today, you have more banking choices than ever. At NBD, we have to be better to earn your business. Make the right move, and make NBD your first choice for an RV loan—for all your financial needs.

Worden Announces Candidacy For School Board Position

Gerald L. Worden, son of the late Arthur and Hattie Worden, has announced his candidacy for the Crawford-

AuSable School Board.

Worden was raised in Grayling, and is a lifelong

resident of Michigan. He served 24 years in Military Service, the last 10 of which were in maintenance supervision, and 10 years with the Internal Revenue Service. He feels his background in scheduled and unscheduled maintenance control, and his knowledge of fiscal responsibility can help the School Board plan and execute a more efficient school system.

Worden is retired, lives in Grayling Township with his wife Jackie, and says he has the time and willingness to spend as much effort as is needed on any project which will improve our schools.

If elected, Worden promises to make himself available to the School Board, the school administration, the school employees, and the taxpayers of the district whenever needed.

Local Twirlers Win Trophies at Chelsea

On Saturday, May 14, the Golden Angels Baton Club traveled to a baton and pom pom tournament, sponsored by the Twirling Unlimited Association, which was held in Chelsea, Michigan. The club consisted of 14 teams that were competing from the Grayling and Roscommon groups.

The Grayling Branch of the club teams placed in the following categories: in the tiny tot division, a 3-member team consisting of captain, Sarah Medler, with members Patricia Harris and Rachel Youngs received a 4th place trophy out of 5

teams competing, doing their routine to "Celebration."

The juvenile team of Golden Girls with team members Amy Neal, Aimee Voight, Trisha Ormsbee and Captain Vicki Creps received a 3rd place trophy for their routine done to "LaBama", complete with fluorescent calypso costumes.

The club also had a team compete in the novelty category this year, using flag batons and ribbon streamers in their performance done to the music of "Head To Toe". They received a second place trophy out of 3 team entries. Team members consisted of Captain, Kristen Cole, along with Vicki Creps, Amy Neal, Trisha Ormsbee and Aimee Voight.

Two pom-pom teams also competed, one in the small juvenile category, with captain Jennifer Fassinger, who's routine "I Saw Him Standing There" received a 5th place trophy.

The large juvenile team placed 2nd with their routine to "Set On You." Team members included Vicki Creps, Kate and Melissa Brunskill, Jennifer Kerr, Amy Neal, Trisha Ormsbee, Kristen Cole, Jenny Harris, Sarah Medler, and captain Aimee Voight.

A twirl team consisting of captain, Amy Neal, Vicki Creps and Trisha Ormsbee placed 1st in the team age division.

Seven of the girls also competed in individual solo competition which is a very stiff level of competing. They were broken down into age divisions and skill levels and Trisha Ormsbee received a second place trophy.

Adel I. Barron, club coach and instructor, said all of the girls did a fine job considering the very long day and for most girls it was their first competition.

Eye Care News

BY: RICHARD FERRIGAN
CERTIFIED OPTICIAN

QUESTION: Are bifocal glasses ever prescribed for youngsters? If so, do they have trouble getting accustomed to them.

ANSWER: In a modern, thorough vision examination, a eye care specialist can evaluate a child's ability to see well at ALL distances. Sometimes, such an examination reveals that a young person's NEAR vision requires a lens power that differs from the necessary DISTANCE correction. As with adults, bifocals are usually the most convenient way to provide these two different prescriptions in one pair of glasses.

When this is the case, most children can become accustomed to bifocals with little difficulty. Remember: the most important thing is to allow the child to have maximum vision at all times, at all distances.

Coy Announces Candidacy For County Commissioner

William Coy has announced his candidacy for Commissioner of District Six which encompasses all of Maple Forest Township and a portion of Frederic Township (which is in District 201).

He has lived in Michigan all his life and moved to Crawford County nine years ago. Coy now resides in Maple Forest Township with his wife Mary.

Coy served 26 years as a

technician with the Army National Guard and has attended several military schools and received many certificates of honor upon completion of courses. He has also continued taking courses for many years including Small Business Management courses through Kirtland Community College.

Coy has been serving as Supervisor/Assessor of Maple Forest Township for

the last 3½ years and is currently serving on the County Planning and Zoning Boards. He has also been serving as State Steward for Federal Employees Union for 6 years.

"If I am elected I will do my utmost to represent and serve the people of this community which in my opinion is what this Board is here for. If you have any questions you may contact me at 348-9247," said Coy.

'Chimera' 6th Issue Available in Grayling

The sixth issue of "Chimera," a non-profit creative arts publication, is now available at local businesses. "Growing Up" is the theme for this issue. Various writers from Alpena, Cheboygan, Frederic, Grayling, Harbor Springs, Johannesburg, Kewadin, Traverse City and Williamsburg have contributed their thoughts on this aspect of life. Also featured is an interview with bestselling author, Judy Zerafa, of Traverse City.

A small group of volunteers puts together

"Chimera" semi-annually. Each issue contains poetry, short fiction, drama, illustrations and comics by unpublished local authors. A special section, "Young Chimeras," showcases works by student writers.

Any unpublished writer can submit material to the publishers by sending to the address listed inside the magazine.

The current edition of "Chimera" is available to local people at Mary's Corner Book Swap on Michigan Avenue.

Remember the Swap Day this coming Saturday, June 4.

In the Wednesday Men's League it seems that Bob White and Rick Longendyke seem to be holding first place for several weeks in the Blue Flight. Tom St. Ger-

main and Ralph Hoffman are in first place in the Red Flight.

For the Tuesday Men's League, Bob McIntosh and Walt Nowak hold first this week in the Red Flight, Ray Swiercz and Ron Phillips are first in the White Flight and

Brad and Bill Scheer are first in the Blue Flight.

Thirty-six women turned out for golf on Wednesday, May 25 at which time Best Ball was played. Two teams tied with a low of 46, Jeanette Kitchen, Lynda Hetrick, Mary Jane Knibbs, Thelma Madsen and Joyce Sorenson, Carol Thompson, Clara Beaufait, Treva McClanahan. Thelma also won the shortest drive on No. 1, Dorothy Walker had the longest drive on No. 4, Mabel Gothro had the longest putt on No. 5, Dorothy had closest to the pin on No. 8 and Barb Hazen had her second shot closest to the pin on No. 9.

Grayling had a tough two-week stretch in softball as the first-year team dropped two doubleheaders on the road and two at home.

On May 17 at Petoskey, Grayling lost 27-6 and 16-4. In the first game Dawn Liberty hit a home run in a five-run inning for Grayling. In the 2nd game Pratt and Partello each got hits for Grayling.

On May 18 at West Branch, a three-run home run by West Branch helped put Grayling down 7-0 after the 1st inning. Trudgeon led Grayling with two hits in the 27-5 opening game loss. In the 22-4 second game, Pratt and Trudgeon each had two

hits.

On May 21 against Gaylord at home, Tremblay, Perez, Liberty, and Jacobs each got a hit in the 26-21st game.

In the 2nd game, Pratt hit a triple to give Grayling an early lead in an 8-3 loss.

On May 24 at home against Rogers City, errors hurt Grayling in a 20-4 1st game loss. Liberty and Ojala got the only hits for Grayling. Tremblay got 2 hits in the 7-2 2nd game loss. Trudgeon and Ojala added a hit each.

Middle School Notes

Fifth Grade Trip To Lansing

On May third at 9 a.m. the fifth grade left for Lansing on Le Coache tour buses. We stopped at a rest area in Alma to eat lunch. When we finished eating lunch we got on the buses.

When we got to Lansing we went to a museum called Impressions 5 Museum. In the museum we could touch just about anything we wanted to. Most of the fifth graders liked the Touch Tunnel the best. The Touch Tunnel was a very dark place.

After Impressions 5 we went to the Capitol building. We saw many senators there. There were very old flags that were in real ways that were worn and torn. Also there were pictures of all the governors except Governor Blanchard because he had not left the office yet. We went on a tour of the Capitol building. On our tour we saw the House of Representatives. Then after the tour we left to go back to Grayling.

All of this is because of all the fundraising the fifth graders did. Some of the fundraisers were cookie raffles and saving Glen's slips. We would like to thank the Kiwanis Club for donating \$500 toward our trip. By Kim Haske and Betsy Dean.

Spike's started the second week of softball action by taking two games from Custom Forest Products. Spike's won the opening game 7-1, scoring three times in the sixth inning. John Juntilla led Spike's with three hits.

Spike's won the second game, breaking open another close game by scoring seven runs in the seventh inning. John Juntilla had three hits for Spike's and Dale Papendick homered. Custom's was limited to four hits.

Rutter's Building Center beat Scheer Motors by a score of 11-5. Wayne Metzger and Joel Money drove in a pair of runs for the victors. Rich Grant gathered three hits for Scheers.

Rutter's won the hotly contested second game 13-10 in extra innings. Rutter's scored three times in the eighth inning to secure the victory. Jack Jonisch had five hits and Darrel Metzger four hits including an in-the-park home run for Rutter's. Tracy Fagan and Rich Grant drove in three runs for Scheers and received hitting support from Jerry Pratt and John Cottingham.

Weyerhaeuser maintained a share of first place with a double victory over Airway Automation. Weyerhaeuser took the first game 13-3 with Al Fagan leading the way with four hits and Mike Sumner driving in a pair of runs. Kevin McDewitt knocked in a pair of runs for Airway.

Weyerhaeuser won the second game 15-7 behind the

hitting of Roger Roman, Bob Morley, and four RBI's by Jay Felts.

Camp Lehman won its season opener with a 13-3 victory over Holiday Inn/Baynam Forest Products. John Madison hit a home run and drove in four runs and Jay Reese homered and drove in three runs for Camp Lehman. Dean Smith had two runs batted in for Holiday Inn/Baynam.

Camp Lehman had to go ten innings to win the hard played second game. Camp Lehman scored twice in the top half of the tenth inning to earn the victory. Norris Land hit a solo homer for Camp Lehman.

SPORTS FANS!

I Bet You Didn't Know

Brought To You By Mark Sloan

Here's a surprising fact... Most of the greatest players in baseball history were NOT kept by their original teams; but were traded during their big league careers... For example, the player with the highest lifetime batting average, Ty Cobb, was traded from the Tigers to the A's... The top home run hitter, Hank Aaron, was traded from the Braves to the Brewers... The winningest pitcher, Cy Young, was traded from the Cards to the Red Sox to the Indians... The great Willie Mays was traded from the Giants to the Mets... The great Babe Ruth was traded from the Red Sox to the Yankees... And so it goes.

Did you know that no big league baseball player has been able to win the Triple Crown (leading the league in batting average, homers and runs batted in) in any season in 20 years... Last man to do it was Carl Yastrzemski in 1967.

One of the strangest boxing bouts of all-time was the one some years ago between Sam McVey and Joe Jeanette... Although Jeanette was knocked down 36 times, he still won the fight!... Jeanette got up 36 different times and then knocked out McVey!

I bet you didn't know... that spring has sprung, fall hasn't fell, summer is coming so what will make you feel well? A new car! A new truck! Spring into Scheer Motors to get that great warm weather feeling, today!

ONLY GLOWCORE HAS THE RIGHT CONNECTION.

Introducing UniCore — our new integrated heating system that connects the furnace and the water heater. UniCore revolutionizes home heating by combining the efficiencies of our gas furnace and water heater into one extraordinarily efficient home comfort system.

THE SECRET'S IN OUR SINGLE BURNER

Because the furnace and water heater are interconnected, UniCore heats your home and your water with a single burner. Other systems require two burners which do twice the work and burn twice the gas.

LOWER OPERATING COSTS

Older heating systems are 55-65% efficient. Standard on fuel bills. By combining water heating and space heating, UniCore saves even more — as much as 30-45% on fuel bills.

COMPLETE HOME COMFORT

UniCore heats your whole house and provides enough hot water for cooking, dishwashing, laundering and bathing. An average family of four can do all this on our 30-gallon, fast-recovery water heater without running out of hot water.

GIVE US A CALL

And compare GlowCore to Lennox and Carrier. Only GlowCore has the right space and water heating connection — the new UniCore integrated heating system.

Band-a-Thon Funds Purchase Quad Toms

The first annual Grayling Viking Band-a-Thon proved to be a success. Although the total proceeds are not yet known, part of the proceeds have been used to purchase a set of Quad Tom-Toms for the Senior High School Marching Band unit at a cost of \$629.

This set of four drums offers the advantages of being lighter in weight and higher pitched than the regular Tom-Toms. The Quad's will add a greater depth to the marching band sound.

The Tri Toms, previously used by the Varsity Marching Band, will now be used

by the Middle School Band for marching practice.

The Grayling Viking Band Boosters hopes the Band-a-Thon and the fall citrus fruit sale will become the mainstay fund raising events for all of the band program.

GHS Spanish Group Takes 2nd at CMU

Students from Grayling High School's Spanish Department won 2nd place awards in the Skit and Song competitions at Central Michigan University's 15th Annual Foreign Language Day, held on April 24.

The skit, "Cenicienta," ("Cinderella"), presented totally in Spanish, was directed by junior Becky Scott. Speaking roles were played by: Mary Beth Boone, Joe Francis, Mike Goddard, Cathy Hayes, Lisa Kimball, Angela Ross, Wayne Sands, Becky Scott and Nikki Trenary.

Supporting cast and set crew members were: Kevin Austin, Andrea Flowers, Brent Day, Lori Dean, Tammy Duby, Peggy Kraus, Heather Pelton, Amy Rochette and Matt Spencer.

In the Song competition, junior Dawn Elekonich and sophomore Margarita Perez also won 2nd place, accompanied on the guitar by freshman Josh Woodland, with "Eres tu." Freshman Peggy Studer won Honorable Mention singing "Via dolorosa."

GHS entered the Dance competition, with a solo per-

formance by sophomore Paul Nunn entitled "Espectaculo latino," and participated in the Display competition, with an entry called "La tienda," by: Tracy Chandonais, Jill Clark, Todd Elekonich, Eric Elliott, Sue Hamilton, April Lingle, Jody Lobsinger, Andy Moore, Joanne Myers (chairman), Dawn Porath, Holly Shippy, Denny Springer and Cheryl Thomas.

In addition to participating in competitions in French, German and Spanish languages, students had opportunities to purchase foreign

language realia, observe college classes and visit displays.

Circuit Court

Appearing before the Honorable William A. Porter on Monday, May 23:

Lyle LaVerne Vogler, age 49, of Grayling, was sentenced on a charge of Criminal Sexual Conduct 1st Degree. He received 7 to 25 years with the Michigan Department of Corrections and was credited with 123 days for time served.

Vogler was arrested by the Grayling City Police Department in January, 1988, following an investigation of a citizens complaint.

SPANISH SKIT — Show in a scene from "Cenicienta" are L-R: Brent Day, Mike Goddard, Joe Francis, Nikki Trenary, Angie Ross, Cathy Hayes, Lisa Kimball.

Michigan Townships Group Meets Here

The Michigan Townships Association will offer a legislative update and educational program to township officials from Crawford, Antrim, Kalkaska, Missaukee, and Roscommon Counties on June 2, as part of the annual MTA Spring District Meetings. More than 100 township officials are expected to attend the all-day event being

held at the Holiday Inn in Grayling.

Beginning at 9 a.m., MTA Executive Director John M. La Rose will review current legislation that could greatly affect township government including school finance reform, voter registration, regional assessing, the environment and the Commercial Forest Act. MTA Director of Legislative Affairs Gene Thornton and Education Assistant Ruth Ellen Euchner will join La Rose the second half of the morning with "Back to the Basics," a review session of basic township responsibilities combined with a question and answer session.

After lunch, participants will be able to choose from four concurrent workshops. Gene Thornton will conduct a workshop on current election legislation. John Wolenberg, local government specialist from Michigan State University, will teach participants

how to handle common tax collection problems. Kurt Metzger from the U.S. Census Bureau will conduct a workshop on townships' role in the 1990 census, which includes how to review census counts and use local information to examine gaps in the U.S. Census Bureau data. Finally, consultant Merrill Lundgren will present a workshop titled "Life Can Be a 10," which instructs participants how to manage the important events in their lives. Also,

the Michigan State Assessors Board will conduct an assessors renewal course.

NOTICE BEAVER CREEK TOWNSHIP RESIDENTS

On June 9th at 7pm at the Township Hall there will be a Special Meeting with Doug Hyde as guest speaker on recycling options for our township.

With a Bi-Weekly mortgage from Chemical Bank, you make your payments every other week instead of once a month. That means you make 26 smaller payments each year instead of 12 larger payments. As a result, you can pay off your loan much faster, save a great deal of interest, and build your equity much faster. If you want to know more about Bi-Weekly mortgages, just talk to a Chemical Banker soon.

Niki Ney, the granddaughter of Bernard and Pat Fowler, took 3rd place in a South Dakota Young Author's contest. For her project she rewrote a chapter from the book "Little Women."

Before I get to new bits of talk for this week I would like to correct a couple of mistakes I made in last week's column. First, I re-named newborn Andrea Claire Southard's mother's name last week. Andrea's mother's name is not Judy. Her name is Cecilia. I don't know why my typewriter typed that name. I certainly did not tell it to! Also, I misspelled another very important name last week. Perashinala is the name of 34 year old granddaughter to Joan Rose of Grayling. Perashinala LaMotte, as you may recall is going to be singing on the Chesaning Showboat, opening night, July 11, 1988. Perashinala is fondly nicknamed "La La". Also, Perashinala is in the running to be on Star Search. Her audition tape has passed New York Star Search talent agents and is now in California for further approval.

Matilda Hunter had quite a few visitors at her home in Grayling the weekend of May 21, 1988. Her great-niece, Tanya Sojka and Randall Stephens were married and the wedding brought relatives from far and wide. Matilda's granddaughter, Cindy Morrell,

from Burton, Virginia, came with her children, Morgan who is only three months old and Matilda's other great-granddaughter, Tara is three and a half. Julie and Ben Webster, Matilda's daughter and son-in-law, came for the wedding along with their sons Chris and Rex and a grandson, Gregory Laurent came from Sunrise, Florida. Mike Hunter, another of Matilda's grandsons was here from Carson City and David Hunter, grandson from Chicago also came. Proud parents of the Bride are Grayling residents, Barbara Ann and John Sojka.

The Chamber of Commerce office parking lot has been paved. I noticed this when I stopped by there to get some pamphlets on camping and other summer activities in the area. Jean Gothro was there minding the office while the office manager, Chris Holtz, was attending to Chamber business around town. I learned from Jean that as part of the R.S.V.P. she and others often help out the Chamber of Commerce by taking calls and visitors while Chris is out. This is a great service for the Grayling Chamber and the R.S.V.P. members are appreciated for the help.

Mert Tobin and Mary Coy of Grayling are the best of "Friends of Hartwick Pines". These two ladies along with a few others are organizing imaginative events for Hartwick Pines

park for this summer. They are looking for more "Friends of Hartwick Pines" to participate and enjoy the many fun activities

planned. For instance how would you like to be a living model in the Store or Bunkhouse in the Pines during the summer festivals? Mert and

Mary's intention is to "bring the lumber camp to life" during the festivals this summer. The three festivals scheduled for celebration at

Hartwick Pines this summer are Old Time Days, June 18 and 19; Milltown Festival, July 30 and 31; and Black Iron Days, August 27 and 28.

If you would like to get involved in some fun this summer, give Mert or Mary a call at 348-4731 or call the park at 348-7068.

Remember to give me a call with any news about town that you'd like to see printed. My number is 348-7439 evenings.

ENGAGEMENT ANNOUNCED — Mr. and Mrs. Frederick L. Wolcott of Grayling are happy to announce the engagement of their daughter, Stacey Lynn to Michael Hickey. Mike is the son of Mr. and Mrs. Robert E. Hickey also of Grayling. A November wedding is being planned.

Over 200 Attend Hunter "Kickoff" for Probate Court

John G. Hunter, candidate for Crawford County Probate Judge, opened his campaign with a Kick-Off Celebration on Sunday, May 22, 1988. The Kick-Off, an open house held at the Eagles Club from 2:00 to 4:00 p.m., was attended by more than 200 Hunter supporters. Adults and children from all areas of Crawford County enjoyed the family picnic atmosphere.

He announced that 78 petition circulators have collected more than 800 signatures county-wide, many more than needed to put his name on the ballot for Probate Court Judge.

Hunter spoke about his credentials and his wide range of experience in all court systems that address inter-related family law issues. He outlined the general functions of the Probate Court System and proposed a Senior Citizen's and children's "Bill of Rights".

Hunter also addressed a "Quiet Room" concept for students suspended from school systems. He proposes that the Probate Court implement a program that would require the offending students to be personally present in an area adjacent to the Probate Court during the period of a suspension. He reasoned that suspended students should be required to do their classwork during the period they are under close supervision by the court, thereby not disrupting the class further when they return from the suspension. Hunter believes that such a system will reinforce in the students' minds that the court is supportive of schools and parents and that young people will be held accountable for their actions.

Hunter recently visited with court officials at Otsego County where he discussed the "I Got Caught" program that is being implemented in Gaylord. It is a primary educational and assessment program aimed at the increasing drug and alcohol related incidents involving teenagers. He applauds the local SADD (Students Against Drunk Driving) program in the Crawford AuSable School System.

The Bible Speaks

From Calvary Baptist Church

The Gospel of John

Part No. 35
The Diet of Deity

"Then Jesus said unto them, Verily, verily, I say unto you, Except ye eat the flesh of the Son of man, and drink his blood, ye have no life in you." (John 6:53). What is Jesus saying? Is this cannibalism? Is this a reference to the Lord's Supper? The Lord's Supper was not yet instituted. The crowd was made up mostly of unbelievers, not saints. Partaking of the flesh and blood of Jesus Christ referred to here produced life or salvation. One thing is sure, to make this provision, the blood of Jesus Christ must be shed, and He must die.

"Whoso eateth my flesh, and drinketh my blood, hath eternal life; and I will raise him up at the last day." (John 6:54). Jesus expanded the above promise to eternal life now, and to a resurrected body later. Is this unreasonable and impossible with Jesus standing alive before them? It violated the Old Testament as they understood it. "For it is the life of all flesh; the blood of it is for the life thereof; therefore I said unto the children of Israel, Ye shall eat the blood of no manner of flesh; for the life of all flesh is the blood thereof; whosoever eateth it shall be cut off." (Leviticus 17:14) The church is also forbidden to partake of blood in the New Testament. (Acts 15:20,29). Therefore these above verses cannot apply to eating the literal body and drinking the literal blood of Jesus Christ in anyway. Is this both barbaric cannibalism and violation of the

Holy Scriptures?

Jesus Christ was talking about us trusting in His shed blood as an atonement for our souls. "For the life of the flesh is in the blood; and I have given it to you upon the altar to make an atonement for your souls: for it is the blood that maketh an atonement for the soul." (Leviticus 17:11). He is talking about our union with Him through His death for our sins on the cross. "He that eateth my flesh, and drinketh my blood, dwelleth in me, and I in him." (John 6:56).

How then do we eat this flesh and blood of Jesus Christ? "As the living Father hath sent me, and I live by the Father: so he that eateth me, even he shall live by me." (John 6:57). Jesus answered this, we live by Him, like he lived by the Father while here on earth. When Jesus was tempted by Satan He said, "...man shall not live by bread alone, but by every word that proceedeth out of the mouth of God." (Matthew 4:4). Jesus goes on to explain this. "It is the spirit that quickeneth; the flesh profiteth nothing; the words that I speak unto you, they are spirit, and they are life." (John 6:63). Are you feeding on God's Word?

Scripture Reference:

Mark 14:12-16; 22-26
At that meal in which Jesus first broke the bread and shared the cup with His disciples He had a purpose. He invited us to do what He did as a way of remembering Him. His concern was not that we remember events in the way a child memorizes dates and facts for a test at school. It was much more than that. He wanted us to remember Him in the way a parent or lover or a spouse wants to be remembered. It is more than a nostalgia trip. It is the kind of memory that fashions a person's life after the life of the one remembered.

The Gospel reference did not tell of Jesus taking Peter or James or John off by themselves and share bread and wine with them. Instead it tells us that He brought them together to share the gift of Himself. And it tells us that the meal was meant to be a source of life giving memory. It was a community event and the community was defined as a group of people who believed in His approach to God, life and each other.

Jesus is still calling us together around the altar table to share in a meal but it is a

meal in which those who come are making a statement. We are saying that as a community we wish to reflect the life in Jesus in our time. But statements are not only made with words and with rituals. They are made by what we do after we have recited the words or performed the ritual. The statement of the Communion is begun before we ever eat the Bread or drink the Wine and it continues long after we have left the altar.

Communion is about my relationship with God. But the Jesus who invites us to eat it told us that we cannot separate our relationship with God from our relationship to each other - whether the other happens to be a stranger or an acquaintance, a friend or an enemy.

Just a personal note about Communion. I find it hard to rationalize that people who share the Body and Blood of Christ can leave church and endorse the idea practicing war with little effort put to practicing peace.

CHURCH DIRECTORY

MY HERITAGE

Our family Bible is a venerable volume. It has been passed from generation to generation, going to the oldest each time, and now, as long as I live, it shall be mine.

I have always been fascinated by this wedding picture of my Grandmother and Grandfather Harris, which has always been located at the page which records their marriage. I recall when this peppy, little gray-haired lady showed me the picture for the first time.

Her fingers were old and wrinkled—trembling as she turned to it.

Notice that a church appears not once, but twice, in the drawings. I have always thought this symbolic because the Church was such an important factor in Grandmother's life. Her Faith upheld her through many dark times, and what was important was that she communicated it to all of us. Another priceless inheritance from my Grandmother—her Bible and her Faith.

Road Commission Minutes

April 15, 1988

A regular meeting of the Crawford County Road Commission was held in their office in Grayling. Present were: Chairman Gloria Kraus, Commissioners Grover Cason and Norman Parker, Engineer-Manager John Keir and Accounting Clerk Joanne Thompson.

The minutes of the previous meeting of March 18, 1988 were read. Commissioner Cason made a motion to accept the minutes as read, seconded by Commissioner Parker. All voted in favor, minutes approved.

Payroll Voucher Number 8 in the amount of \$25,065.10 and Material checks numbered 13492 through 13558 in the amount of \$18,610.50 were presented to the Board for approval of payment. Commissioner Parker made a motion to accept the vouchers, seconded by Commissioner Cason.

Permits were reviewed and signed as follows: General Telephone Company to bury communication cable on Five Mile and Military Road in Beaver Creek Township; Union Oil Company of California to bury pipeline under Seven Mile and Fletcher Road in Beaver Creek Township and Frontier Exploration to conduct a seismic survey in Lovell Township.

Chairman Kraus and Commissioner Parker signed an Agreement with the Huron National Forest.

Discussion was held on equipment needs and Engineer-Manager Keir was instructed to prepare bid specifications for a used bulldozer and two single axle and one tandem truck.

Cletis Spears, Beaver Creek Township Supervisor, appeared before the Board regarding improvement of various roads in that township and also expressed concern about the railroad tracks on Four Mile Road. Mr. Keir informed him that he and a representative of the Railroad Company and Michigan Department of Transportation shall have an informal meeting on this issue with Mr. Spears.

Discussion was held on local roads and primary roads within the county. A list of primary roads to be updated to all season standards shall be drawn up so that priorities with the direction of the Northeast Michigan Regional Rural Primary Task Force.

The Board of Crawford County Road Commission reviewed the financial policy regarding local road improvements; the cost of any materials such as gravel, blacktop, drainage structures shall be shared with the township. This shall take effect upon formal adoption.

Task Force priority has been decided upon for Crawford County. Namely, Sherman Road and part of County Road 612 and North Down River Road. These will be presented at the next Task Force Meeting for consideration of funding.

Correspondence was reviewed from AT & T regarding fiber optic cable.

An estimate was received from the Roscommon County Road Commission of costs to improve a portion of Steckert Bridge Road. Contact shall be made with the Township Supervisor.

The Board authorized purchase of mobile radios to replace older units obtained in 1969.

There being no further business before the Board, a motion was made and seconded to adjourn. All voted in favor, meeting adjourned.

Crawford County Board of Commissioners

May 10, 1988 Regular Meeting
SYNOPSIS

The Regular Meeting of the Crawford County Board of Commissioners was held on 5-10-88 at 9:40 a.m. in the city of Grayling. Commissioners present were: Kitchen, Harland, Haight, Mattis, Ruddy, Joyce. Absent - none. County Clerk Elizabeth Wieland was present. There were 19 visitors present at various times.

IN FORMAL ACTION, COMMISSIONERS:

—Accepted the 4-28-88 minutes as presented.

—Approved payment of General Fund Vouchers in the amount of \$163,348.97, Fish Hatchery Fund Vouchers in the amount of \$35.73 and

Commissioner's	Salary	Per Diem	and Expenses
Kitchen	200.00	280.00	89.76
Harland	200.00	190.00	10.66
Haight	200.00	100.00	20.46
Mattis	250.00	270.00	80.96
Ruddy	200.00	260.00	15.84
Miller	200.00	350.00	39.60
Joyce	200.00	140.00	49.70

—Accepted 16 pieces of communications.

—Supported a resolution urging Legislators to change the law so persons making bomb threats are charged with a felony, rather than a misdemeanor.

—Approved settlement of a grievance, at the recommendation of Ways & Means Committee, for one-half of the amount requested (\$1,896.75).

—Waived the Board's policy on the freeze of new hires and/or replacements and authorized the hiring of two seasonal employees for the Marine Program.

—Approved use of the County property for the July 4th fireworks display by the Grayling Youth Boosters Club, provided the necessary insurance is secured.

—Authorized purchase of two 1988 E350 Cutaway Chassis from Al Bennett, Ford for the ambulances at a cost of \$15,547.92 each and conversion of both boxes to the new chassis by Clio Systems, Inc. for an amount not to exceed \$10,000.00. Money to come from the Ambulance Replacement Fund.

—Approved the execution of an agreement with fish vendors for the Fish Hatchery to cover 1/2 of the cost of fish food this year contingent upon legal review.

—Authorized pre-payment of seven ton of fish food to be reimbursed by the Fish Hatchery Fund.

—Appointed John Miller to continue as one of the County's representatives on the Solid Waste Planning Committee for the balance of the term.

IN OTHER BUSINESS, COMMISSIONERS:

—Listened to a report from the Youth Service Bureau and learned Rev. Donn Broeker is a new member of the Board. Roscommon County has expressed interest in the Youth Service Bureau expanding to cover this area, and the need for a full time counselor if this happens.

—Learned less funding is available for the Youth Corp Programs this year.

—Were informed the berming project is still being pursued and Building & Zoning Director Jones, is working with Committee to pursue the cost and installation of insulation and a work crew to install it.

—Received a report that the new concrete installed behind the Secretary of State Bldg. is chipping and that a possible leak in a water line is being checked into.

—Learned Barb Selesky of Timberview Village, has been appointed to the Traverse City Regional Psychiatric Hospital Citizens Advisory Council by Thomas Watkins, Director of the State Mental Health Dept.

—Requested a resolution be drafted honoring John Miller for his many years of public service.

—Referred to Housing Rehabilitation and Community Development Commission an announcement and registration for housing programs and workshops relative to administration of approximately \$27 million in Community Development Block Grant Funds.

—Received correspondence from the Dept. of Corrections relative to Probation Enhancement Grants to local governmental units and application requirements - these programs are designed to provide alternatives to incarceration.

—Listened to an up-dated report from the Ambulance Dept. on the expenses and revenues so far this year. When ambulance runs are paid for by Medicaid, we receive 54 percent of the cost - this amount must be accepted. When the ambulance's licenses are issued it is for the type of service provided and when they are ready for a specialist licence, the ambulances must be equipped to that requirement.

—Were presented a picture of the members of the 46th Circuit Bar Association by Judge Alton Davis.

—Listened to a report from Bruce Gillis concerning plans for a National Trout Fishing Museum. The Commissioners informed him that there were two openings on the Fish Hatchery Committee available to his group. Also, the Commissioners went over the goals and projects already underway from their own committee formed in 1980 on the Fish Hatchery Museum project. The Board encouraged an ad hoc committee as a special fund raising group to work toward common goals. Resources available to the County on such a project are unlimited.

—Reviewed some materials from the MI Association for Community Corrections Advancement's Third Annual Conference with Bob Smock. He felt there will be funding available through MI Dept. of Corrections by October 1988 to help with the expansion of the County Jail.

—Viewed a suggestion offered on starting some type of living memorial honoring people that are considered legends in our area.

Notice of Mortgage Foreclosure Sale

Default having been made in the conditions of a certain mortgage made the 16th day of July, 1976, by Toc Ockerman and Cynthia M. Ockerman, his wife as mortgagor(s), to the United States of America, as mortgagee, and recorded on July 19, 1976, in the Office of the Register of Deeds for CRAWFORD County, Michigan, in Liber 153 of mortgages on pages 438-441; on which mortgage there is claimed to be due and unpaid at the date of this Notice Twenty One Thousand Nine Hundred Forty Three and 90/100 Dollars (\$21,943.90) principal and Four Hundred Fifty Eight and 47/100 Dollars (\$458.47) interest; no suit or proceeding at law or in equity having been instituted to recover the debt, or any part of the debt secured by said mortgage, and the power of sale contained in said mortgage having become operative by reason of such default:

NOW, THEREFORE, Notice is Hereby Given that on June 30, 1988 at 10 o'clock in the forenoon at the front steps (east side) of Courthouse in Grayling, Michigan, that being the place for holding the Circuit Court for the County of CRAWFORD, there will be offered for sale and sold to the highest bidder, at public sale, for the purpose of satisfying the amounts due and unpaid upon said mortgage, together with the legal costs and charges of sale provided by law and in said mortgage, the lands and premises in said mortgage mentioned and described, as follows, to wit:

That property located in the Township of Grayling, County of CRAWFORD in the State of Michigan, Lot Seven (7) Block Nine (9) of Hadley's Second Addition to the Village of Grayling, a subdivision of part of the SE 1/4 of the NE 1/4 of Section Seven (7) T26N, R3W according to the plat thereof recorded at Liber 1, Page 10, Crawford County Records.

The redemption period will be one month from the foreclosure sale.

Property may be redeemed by paying the amount of the bid at the foreclosure sale plus interest and any unpaid encumbrances on the property from date of sale. For additional information, contact UNITED STATES OF AMERICA acting through Farmers Home Administration, 210 S. Morenci, Mio, MI 48647, mortgagee. Dated May 18, 1988

BUDDY'S WORKSHOP

Improper Pressure Can Ruin Files Quickly

I bought what I thought was a quality set of files, but I can tell they aren't going to last. Just about every one of them is dull. What do you look for when purchasing a set of files? Apparently name-brand equipment isn't all it's cracked up to be.

Don't be so quick to write off your files as inferior products because they dulled quickly. Many times the pressure you put on them while you're working will shorten the life of the file. If you put too much pressure on your work, you run the risk of chipping the teeth or edges as well as clogging up the spaces between them. Too little pressure, on the other hand, will dull the file in a surprisingly short amount of time. The art of filing is to keep just enough pressure on the file to keep it cutting.

When you purchase a new set of files, make sure you buy files designed for the type of work you need them for. Another way to ruin even the best-quality file is to try to get it to do more than it is capable of doing.

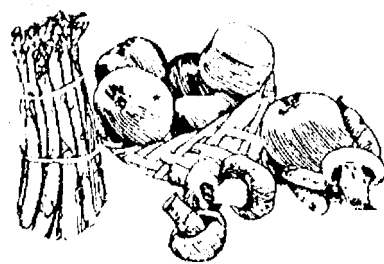

I had some plumbing work done recently, and noticed a few of the drainable valves were put in backwards. Will that cause any problems down the road?

They won't cause any problems until you try to drain something on the other side of the valve. Call your plumber to rectify the situation. There's no excuse for reversing those valves. As you can see, there is a plainly visible arrow to tell them which direction the valves should be installed.

Questions? Write to BUDDY'S WORKSHOP, P.O. Box 639, Frankfort, KY 40602-0639.

When temperatures threaten to rise, we think of cool and quick meals and refreshing salads. Following are one elegant salad and several do-ahead salads:

Crab and Avacado Louis

In blender on high speed mix 1 large egg, 5 tsp fresh lemon juice, 1 tsp. Dijon mustard, 1/4 tsp salt and white pepper. Add in stream 3/4 c. oil. Mix with 1 lb. crab meat and pile on 4 avacado halves.

Kraut Slaw

1 qt. sauerkraut

2 c. sugar

1/2 c. vinegar

1/4 c. oil

1 tsp. salt 1 small jar pimento, minced

1 tsp marjoram

1 c. chopped onion

1 c. chopped green pepper

2 c. diced celery

Mix well and refrigerate several hours.

Keeps indefinitely.

Corned Beef Salad

1 lg. pkg. lemon gelatin

2 1/2 c. boiling water

1/4 c. vinegar

Mix together and add:

2 cans corned beef, shredded

1 c. diced cucumber

1 c. diced pepper, green or red

1 c. chopped celery

8 sliced radishes

1 tsp grated onion

6 hard-cooked eggs

1 c. salad dressing

Chill until gelatin is set.

Six Bean Salad

1 can (1 lb) each red kidney beans, green beans, yellow wax beans, great northern beans, baby lima beans, garbanzo beans, all drained.

1 c. diced green pepper

1 c. diced celery

1 4 oz. can pimento diced

1 med. sweet onion sliced into rings

1/2 c. salad oil

1/2 cup sugar

2 tsp salt

1 tsp pepper

Combine dressing ingredients and pour over vegetables. Mix well and let stand overnight in refrigerator.

Gazpacho Salad Ring

2 envelopes unflavored gelatin

1/2 c. cold water

1/2 c. tomato juice

1 tsp sugar

2 tbsps vinegar

1 tbsps lemon juice

1/2 tsp salt

1/2 tsp Worcestershire sauce

1 tbsps grated onion

3/4 c. peeled, diced cucumber

1/2 c. diced celery

1/3 c. diced green pepper

Soften gelatin in cold water. Heat 1 c. tomato juice, add gelatin and stir to dissolve. Add remaining juice, sugar, vinegar, lemon juice, salt and Worcestershire Sauce. Chill until partially set. Fold in onion, cucumber, celery and green pepper. Pour into oiled 1 1/2 qt. ring mold and chill until set. Unmold on lettuce leaves.

Resource Review

Bruce Patrick
Conservation Officer

I have received inquiries recently as to when an Off Road Vehicle (ORV) registration is required for those vehicles also registered under the Motor Vehicle Code. The vehicles in question would be 4-wheel drive pick-ups, jeeps, motorcycles and the like which have a valid license plate for highway travel.

Basically, an ORV registration is required whenever a vehicle is being operated where a common four wheeled vehicle is not capable of going. For example, if a person is capable of

traveling a forest road with a typical family type automobile, there is no need for an ORV sticker on any vehicle, as long as it has a valid license plate.

If, however, a standard type four wheeled-vehicle cannot traverse the trail, an ORV registration would be required.

It was the intent of the legislature that on forest roads capable of sustaining conventional drive, four wheel vehicle operation, only a license plate be required, and on any which

could be traversed only by a 4-wheel drive vehicle, motorcycle, 3-wheeler or the like an ORV registration would be required, even if the vehicle was licensed for the road. On forest roads whose conditions vary seasonably, an ORV registration would not normally be required.

Of course, an ORV registration is required on any vehicle which does not have a valid license plate. And with or without an ORV sticker, vehicles must stay on established trails.

A river drive wasn't over until the last logs of the season were in the booms, therefore a drive often lasted from March-April to September. The men were sometimes not paid until the logs were in the booms and this was especially so where the River Rats were concerned. "Bringing Down the Rear" was the most physically wearing work imaginable. Logs stranded by high water, sometimes a quarter mile from the main channel, were wrested back

by brute force provided by either man and or horses. Wading in mud and enduring the mosquitos and black flies only added insult to injury.

Dead End

March 3, 1986

I see the world in black and white.
Actually, mostly greys.
Where there used to be colors, bold and bright,
Now there lies only haze.
My weather is stormy; clouds roll by.
I fight to see past the fog.
A shower of tears fills the sky.
The rain lifts to reveal the smog.
Dirt and filth, corruption at best.
Like taffy, pulled from both ends.
Turn this way, go back, the sign says "One Way."
Here I am on the road to "dead end."

Verse or Worse

By Joseph D. Murphy

Renewal

There is something very special
About the days of May.
When blossoms are just everywhere,
So many colors, bright and gay.

The lilac bushes full of bloom
Release their perfume in the air.
There are so many in our town,
You can smell them everywhere.

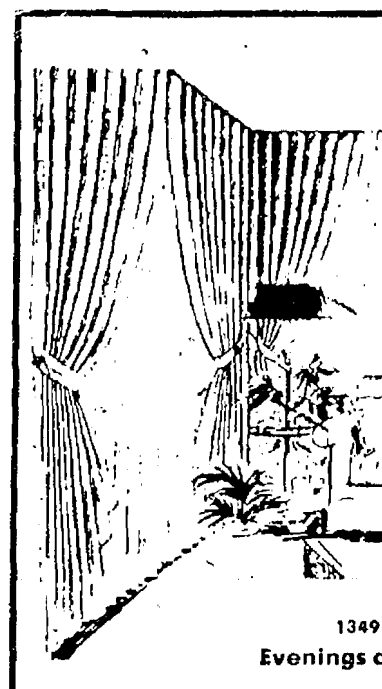

The leaves so fresh upon the trees
Show a thousand shades of green.
Everything is bright and new
With a special kind of sheen.

Just a few weeks ago, everything looked dead,
Then came the renewal of spring.
The warming sun and warm spring showers
Gave new life to everything.

Perhaps, there is a lesson here
That we should take the time to learn.
Perhaps, we too, should not fear death,
For to life we shall return.

Not here on earth, but way beyond,
In the Kingdom of the Lord.
With our loved ones who have passed before,
Once again we'll be restored.

So, have faith and bless the Lord.
There's no reason to have a doubt.
Look at the renewal here on earth,
The month of May has brought about.

50th ANNIVERSARY — Betty and George Pamerleau (bottom) are shown with Roz (Betty's sister and attendant at wedding) and Bill Zillich.

Pamerleaus Celebrate 50th

George and Betty Pamerleau celebrated their Golden Wedding Anniversary on Saturday, April 30, by repeating their marriage vows during an 11:00 a.m. Mass at St. Mary's Catholic Church. The Mass was officiated by Rev. Gerald Micketti, and assisted by Deacon Robert Nolan.

Organist and vocalist was Mrs. Ellen Thompson.

A buffet reception for relatives and friends followed at the Knights of Columbus Hall. Music was provided by Mrs. Tina Kennedy.

The Pamerleaus were married at St. Michael's Catholic Church on April 20, 1938, in Flint, Michigan. They have six children, 18 grandchildren and 6 great-grandchildren.

The anniversary celebration was a gift to George and Betty by their children: Mr. and Mrs. George J. Pamerleau, Grosse Pointe, MI; Mr. and Mrs. Kenneth Dosch (Jeanne), Cadillac, MI; Mrs. Anna Emmons, Dayton, OH; Lt. Col. John D. Pamerleau, San Antonio, TX; Mr. and Mrs. Wendel Skinner (Diane), La Mesa, CA; and Mr. and Mrs. Rodney Powers (Joan), of Traverse City, MI.

Relatives and guests came from: Harper Woods, Grosse Pointe, Highland, Huntington Woods, and Grayling, Michigan. Out of state guests came from: Indianapolis, IN; Pleasanton, TX; Canton, OH; and Chicago, IL.

Kirtland Program Helps Students Find Employment

For seven Kirtland Community College students, a new program has shortened the step to employment.

At the college's annual commencement ceremonies in May, eleven Kirtland student's were eligible for a certificate through Contracting with Business and Industry (CWB & I). Of those, seven had secured employment as a result of this unique program, and two others are continuing their education, according to John Loiacano, Program Coordinator.

The one-year certificate program is designed to allow students to receive

maximum training in a minimum amount of time. Through CWB & I, students are placed in on-the-job training at local business and industrial sites. Training sites were established for students to gain entry level job skills.

Students completing the necessary requirements in their occupational training areas and their respective trainers are: Grayling - James Adams, Maintenance

Worker, Cindy Sample, Physical Therapist Aide, Mercy Hospital; Wayne Arney, Radio Announcing, WQON Dittmer Broadcasting Co. Inc.; Norma Thomas, Bank Teller, Grayling State Bank; Robert Tyll, Veterinary Aide, Grayling Veterinary Hospital; Houghton Lake - Wendy Johnston, Bank Teller, North Central Area Credit Union; Lake City - Joyce Travelbee, Bank Teller, Old Kent Bank; Mio-

Shannon Hager, Insurance Office Assistant, Kirtland Agency; Roscommon - Philip LeFaive, Graphic Designer, Graphic Arts Press; Ron Menne, Insurance Sales, Roscommon Agency; Cindy Miller, Hotel/Motel Management, MacMullen Center.

For further information on CWB & I, contact John Loiacano at Kirtland at 517-275-5121, or 800-433-2517, extension 297.
